Abortion Act (1968) 225
Academic achievement of school children 50-53
effect of socio-economic status 51
importance of parental attitude 50
relationship with intelligence 51
Acute Diarrhoeal Diseases Surveillance and Control Report 23
Adolescent pregnancy,
biological and social risks 99
educational interventions 99
illegitimacy rates 99
multidisciplinary study of 99
prevention of birth defects 99
programmes in USA 99-103
Ageing,
death as an index of 220
demands on social services with 220
increase in dementia 221
increased hospital admissions with 220
inadequate medical services 221
loss of adaptability with 220
prevalence of disability 220
Anabolic agents, classification of 10
hormonal compounds used as 9
Anabolic agents in meat production 9
Anabolic agents, licensing of 10
Animal disease, information exchange 12
control of National level of 13
identification of trends of 13
Animal Health 1979. Report of CVO. 13
Animal husbandry, intensive systems of 12
Animals (Protein Processing) Orders 1981 12
Zoonoses Order 1975 12
Annual Social Services Conference 57
Presidential address 1982 57-60
Announcements 157, 203, 249
Anopheles mosquito, resistance to insecticides 222
Anorexia nervosa — a preventable disease 207-209
anorexic behaviour 207
association with bulimia 207
bulimia symptoms 208
effect on body temperature 208
historical aspects 207
incidence of diarrhoea 208
model of aetiology 208, 209
result of emotional disturbance 208, 209
sex differences of incidence 208
suppression of menstrual cycle 208
Antenatal care, effects on birthweights of Nigerian children 194, 195
mean birthweight of male and female babies 194
mean weight of booked and unbooked pregnancies 195
need for nutritional education 195
Anxiety, methods of reducing 97, 98
effects of minor tranquillisers 97
progressive muscular relation (P.M.R.) 97, 98
Artificial feeding of young infants in Britain 131-134
breast milk substitutes history 131
composition of cow's milk 132
composition of human milk 132
composition of infant formulas 131-132
infant feeding bottle history 131
infant foods available in U.K. 133
infant foods of the future 133
infant nutrition 132
Liebigs infant food (1867) 131
local preferences for ingredients 132
official guidelines on infant feeding 132
special formulas 133, 134

PAGE

variation in raw materials and processing 132
Association of Professional, Executive, Clerical and Computer Staff (APEX) 142
Association of Scientific, Technical and Managerial Staff (ASTMS) 142

Barclay Committee Report 232
Behaviour problems in children 96
Birthday Honours list 157
Body image and nutrient intake 47, 48
self-catering students slimming 47, 48
Boil infections in Nigerians 118, 119
Book reviews 45, 83, 121, 157, 203, 249, 252
Bovine livers,
abscess formation in 13
fascioliasis in 13
British Airways,
description of main meals 65
design of equipment 61
future food product style 65
Heathrow catering base 63
hygiene considerations 63
inflight catering 61-67
planning and controlling 62
Brompton Cocktail 2
Bulimia, see anorexia nervosa 207

Cancer, terminal patient care in 1
Care and counsel of the elderly 5
Care of dying patient 1
Care of the elderly in hospitals and homes 181-185
acute hospital care 181
age specific residence ratios 183
changes in age and level of incapacity 184
degrees of urinary incontinence 183
elderly as 'bed blockers' 181
homes for the elderly 182
levels of incapacity 183
role of community services 185
studies in Leicestershire 181
Cataract, synergistic effect of UV and yogurt 162
Catering industry 68-70
American and European methods 68
budgets 68
implementation of procedures 69
operation and policy 69, 70
ordering, receiving, storage 69
productivity and profits 68
sales forecasts 68
use of space and equipment 68
Catering services for employees of large organisations 71-73
communication 73
organisation 71, 72
reasons for providing 71
standards 72
Cattle, hydatidosis in
Childless families 218
Children,
behaviour problems in 95, 96
education in parent craft 96
preparation for adult life 96
value of health education 96
violence to 95
Chlorosis, see anorexia nervosa 207
Chronically Sick and Disabled Persons Act (1970) 231
Clinical medical offices in the future 236-238
Communications in terminal illness 3
Condemnations of meat carcasses 1980 13, 14
Consumerism protection, growth in 218

PAGE

Contact photosensitisers 163
Contact sport players, mouthguards for 180
Control of pediculosis capitis 88
Control of Pollution Act 1974 16
Coronary heart disease 186
Coronary heart disease, cost of in UK 186
role of high fat diets 186
Cow's milk, composition of 132
Custom made mouthguards for contact sports players 180

Demographic changes, need for health technology 222-226
acquired immunity deficiency syndrome 224
diagnostic technology in UK 224
digestive and urinary system diseases 225
effects of higher life expectancy in developing countries 222
endocrine and metabolic disorders in UK 225
growth in hospital admissions from accidents 226
gynaecology related conditions in UK 225
hearing problems of the elderly 225
incidence of congenital disorders 226
increase in arthritis 225
increase in sexually transmitted diseases 224
nervous system and sensory organs diseases, trends in UK 225
trends in malignant diseases in UK 224
trends of mortality in developed countries 223
UK trends in cardiovascular and respiratory diseases 225
worldwide mortality implications 222
Direct labour in local authority pest control 120
Disadvantaged children and housing 94
accident incidence 95
parental supervision of 95
Diseases,
Ameobic dysentery 21
Anaemis 6
Anorexia nervosa 207
Asthma 95, 136
Bacillary dysentery 21
Botulism 144
Bulimia 208
Cancer 223
Cataract 162, 225
Cerebral palsy 225
Cholera 22, 222, 223
Colostomy 215
Diabetes mellitus 225
Diarrhoeal diseases 21, 22, 208, 222
Down's Syndrome 226
Epilepsy 225
Gastroenteritis 21
Glaucoma 225
Gout 6
Hepatitis 144
